

Fully Sanctified, Then Glorified

There is a time and that time is now when your sanctification will be made complete. Yes, this is the work that I am doing, and it will be made manifest in this last hour in a body of people who are called out by Me to show forth this glory. Yet, this part of the process of your salvation is still to be worked out in the natural realm.

When the time has come for My full return to earth, I will translate you all into the glorious form of My own resurrected [ascended] body. But until then I must show forth a people who can walk in holiness even as I am holy.

So shall it be. Just as I walked in holiness in My earthly form, so shall this body of people. The works that I did, I did through My own sanctified vessel. So shall it be with all who are called of Me to walk in this realm. It is a higher realm than that which is earthly, but it is nevertheless worked out in this natural realm.

Yes, you will do the works that I do and even greater works, because I went to the Father and sent My Holy Spirit to complete this work in you that I finished on the cross.

For you see, I am the finished works of My Father. My Father and I are one. When you see Me, you see the Father. When you see the Father, you see Me. Just as He and I are one, so shall you be made one in completeness in Me.

For you now understand these things in part, but know that I am in the realm of the fullness of these things. I already see you complete in Me. I will be making this vision clearer to those of you who are called to this task. You will begin to see Me more clearly and, as you do, you will begin to see yourself to be even as I am.

Do not be surprised at the remarkable changes that will begin to come about in you in the coming days, weeks, and months. They will happen to you while you are yet in your earthly bodies.

A people more radical than ever before in history will come forth, doing exploits in My name. No one will be able to touch them, hinder them, or turn them aside from achieving the things that I have ordained for them to do. All weapons formed against them will not perish, but will turn as a boomerang against them. The enemies of My glory will be judged by their own judgments and will fall victim to the weapon they try to use against you.

This is happening now as you transition between the feast of Pentecost and the feast of Tabernacles.

Awake, sleeper! If you are called to this walk, wake up! For the time is now for you to once and for all renounce all sin, all the deeds of the flesh, all the ways of the world, and all the works of darkness—not even to speak of them. Clean yourselves up now because I have given you the cleansing power of My Holy Spirit to do so. I have given you white linens with which to make for yourselves gowns of righteousness. You are My bride and you are now to hasten and make yourselves ready.

Now after a season, when My work through you is done in the natural realm, I will redeem you fully, even in bodily form, at which time you will be as I am in glory.

So, these two phases are being worked out in the context of My holy feasts: The coming forth of sanctified people, and then the coming forth of a glorified people.

Be prepared for it. You who are called to it will be found faithful. For the work that has to be done in you is My work, and I will complete the work that I have ordained to be completed in you.

Therefore, be perfect even as your heavenly Father is perfect. Not your will be done, but Mine. That which is already a reality in heaven will come to earth. My Kingdom will come on earth as it is in heaven.
