To the Many-Membered Corporate Son

October 23, 2001

Charles E. Newbold, Jr.

You shall walk from one end of the earth to the other, and the proud who say "where is your God?" will see the glory of the God of Israel upon you, and they will know that He is Yahveh (the name of God) and Yeshua (the Hebrew name for Jesus), the Messiah. For He has come to His people through His people, and His glory shall shine forth through His people, brighter than the morning star or the rising sun. They shall sin no more but be filled with the light and the life of the Son of Yahveh. The world will know that He is God because of His sons brought to glory.

This has to happen and will happen and very soon, for the Creator Himself, Yahveh, has declared it. There is no other God. There is only one God and Lord who is Father of all to those who are the called, the chosen, the faithful sons of the living and true God, the God of Israel, namely, Yahveh, the God of Abraham, Isaac, and Jacob.

Do not look for another god. Do not look to any other so-called gods, especially those of your own making. They are dagon who cannot stand in My presence (1 Sam. 5). But know this: that as you, My glory-filled son, walk from one end of the earth to the other, all the dagon of men will fall. All Babylon will fall. Your dagon are all those things and people in whom you put your trust other than in Me.

My sons of righteousness, purity, and holiness (separation) are coming forth. They are those who have no confidence in the flesh, but obey the every move of My Holy Spirit. They are filled with My word, My law, My Spirit, My life, and walk in a confidence that needs no words to explain. Their life is their message. They are a testimony to My glory, for My glory has been revealed upon them, in them, and through them.

There is nothing men can do to stop the coming forth of My sons. Likewise, there is nothing any man can do to bring it about. It is My sovereign work in an hour appointed of Me. I, who dwell in the non-dimensional realm of the eternal invented time, that I (the I AM) might be revealed as the One and only One who was and is and is to come. I AM all in all.

Therefore, do not fret about the circumstances in the world about you. They have no part in you and you have no part in them. You live beyond those circumstances in glory where I am. You are given the glory of who I am. For if we win in the end as I have so declared it in My word, then we have already won; for the knowledge of the end changes your perspective on the present.

Have faith in Me and know that I am the one and only true and living God. I am the God of Israel, Abraham, Isaac, and Jacob who revealed Myself through My son, your Messiah, Yeshua. I am He who comes again. I come to you in My glorified sons, suddenly, as the twinkling of an eye, and all the world shall know that I AM is the One and only God. They shall bow before Me and call Me by name, and My glory shall be revealed in all the earth.

Thenceforth, I shall reign as King in the hearts and lives of men and women everywhere, you who are kings and priests in My name, a kingdom of priests showing forth the fullness of My glory in all the earth. There shall be peace in heaven and on earth for a thousand-year day. Then the end shall come. Therefore, do not be dismayed by the calamities that must precede the coming of My glory, for they (the calamities) are close at hand. When you see these things happening, look up, for your redemption is near.
